Gus Gamache Joins Post-N-Track Board of Directors *Company relocation planned for March 1, 2007*

MIDDLETOWN, CT February 7, 2007 – Post-N-Track Corporation, a leading provider of Internet-based transaction exchange solutions for healthcare, announced that Marcel L. "Gus" Gamache joined its Board of Directors effective November 29, 2006. Mr. Gamache served as President and Chief Executive Officer of ConnectiCare, a managed care company based in Farmington, CT from 1994 – 2005.

"Gus has tremendous depth of experience in insurance and healthcare," stated Post-N-Track Founder and CEO Allen DeGraw. "He is a wonderful complement to our Board of Directors and will be a valuable resource in helping Post-N-Track to better understand the complex payer environment in order to deliver products and services that address their needs and those of their providers and business partners."

Under Mr. Gamache's leadership, ConnectiCare more than doubled in size to nearly 245,000 members and experienced a significant turnaround in its financial condition. ConnectiCare has been rated one of the nation's best health plans by independent surveys. Prior to his work at ConnectiCare, Mr. Gamache was employed for nineteen years at Blue Cross and Blue Shield of Massachusetts where he served as Internal Auditor, Controller and Senior Vice President for Information Services.

Company expands; March 1st relocation to larger facility.

Company officials cited continued growth as well as planned product/services expansion for relocating Post-N-Track corporate headquarters to Wethersfield, CT. Effective March 1, 2007 the new corporate address will be Post-N-Track Corporation, 1155 Silas Deane Highway, Wethersfield, CT 06109.
